SUMMARY

Self-motivated and diligent BCA graduate aspiring to employ my skills and knowledge in a dynamic tech environment. Eager to bring fresh ideas and eager to contribute to the team's success through hard work, attention to detail, and excellent organizational skills. Excited about the prospect of building upon my technical skills and working towards the growth of the organization.

EDUCATION

Bachelor in Computer Application (BCA)

ST. ANDREWS INSTITUTE OF TECHNOLOGY AND MANAGEMENT

09/2019 - 06/2022 GURGAON, HARYANA

PROJECTS

CURRENT WEATHER

<https://ankitshrestha911.github.io/weather-app/>

Weather status website using JavaScript, HTML, and CSS.

- Developed a weather forecasting website using JavaScript, HTML, and CSS, allowing users to effortlessly check weather conditions based on their location or by searching for a city name.
- Utilized the Fetch API in JavaScript to retrieve real-time data from external APIs, ensuring up-to-date information for users.

KEEP NOTES

<https://ankitshrestha911.github.io/Keep-Notes/>

A dynamic note-taking project.

- Created a dynamic note-taking application using JavaScript, CSS, and HTML, demonstrating strong front-end development skills.
- Enabled users to add, view as sticky notes, and seamlessly edit or delete notes, significantly enhancing user productivity and organization.

YOUTUBE-CLONE

<https://youtube-clone-as.vercel.app/>

A YouTube clone with advanced features.

- Developed an advanced YouTube clone using React, Tailwind CSS, and comprehensive API integrations, delivering a feature-rich and responsive user experience.
- Utilizes Context API for efficient state management and ensures a seamless user experience with a fully responsive design.
- Implemented secure Firebase login and interactive hover previews, enhancing user engagement and authentication reliability.

STRENGTHS

Data Structure And Algorithm

High proficiency in Data Structure And Algorithm which caters to efficient problem-solving and coding practices.

Web Development

A strong foundation in web development tools and technologies including HTML, CSS, JavaScript, React, Tailwind, Git, and Github.
